

# **Northeast Utilities Postback Methodology**

## **ATC Firm**

Postbacks are not considered in the ATCF calculations.

## **ATC Non-Firm**

### Planning Horizon (PH)

Postbacks are not considered in the ATCNF in the Planning Horizon.

### Operating Horizon (OH)

ATCNF available in the OH includes: Daily and Hourly.

ATCNF in the Operating Horizon includes postbacks.

Postback is any transmission capacity that is not allocated to an implemented interchange transaction (i.e., e-Tag) for the associated time period and will be released at the start of the OH and offered as Non-Firm capacity in the applicable OH.
