

## **Local Transmission Study List**

In Accordance with FERC Order No. 890, paragraphs 1308 -1311, 1315, Transmission Providers will be required to begin tracking their performance of transmission studies and keep the quarterly performance metrics posted on their OASIS sites for three calendar years.

**No requests for service under Schedule 21-NSTAR have been made as of July 13, 2007**
