

**Prepare for the
season ahead and get
up to \$3,500.**

EVERSOURCE

Get up to \$3,500 to replace your old, working furnace or boiler.

With fall right around the corner, now's the perfect time to upgrade your inefficient heating equipment.

By replacing your old furnace or boiler before it fails, you can:

- Receive rebates of up to \$3,500 for energy-efficient boilers or \$1,000 for furnaces.*
- Lower your energy costs.
- Boost your home's comfort.
- Apply for 0% financing through the Mass Save® HEAT Loan Program.

Call **866-527-SAVE (7283)** today to schedule your no-cost Home Energy Assessment (where we'll verify eligibility of your equipment), or visit **MassSave.com/Early** for more information.

*Boilers must be at least 30 years old. Furnaces must be at least 12 years old. Equipment must be functional and verified as eligible during a Home Energy Assessment prior to replacement. Fuel switching/conversion (i.e. oil to gas) is not eligible for this offer. Please visit [MassSave.com/Early](https://www.masssave.com/Early) for all eligibility requirements.
