## Equipment rebates

Eversource offers gas and electric customers rebates toward the installation of qualified high-efficiency heating and water heating equipment to help you save energy all year long.

For additional information, visit [MassSave.com/heating-and-cooling](https://www.masssave.com/heating-and-cooling).

### Rebates include:

- ✓ High-efficiency heating equipment rebates up to \$1,600
- ✓ High-efficiency water heater rebates up to \$800
- ✓ Wi-Fi thermostat rebates up to \$100
- ✓ High-efficiency cooling rebates up to \$500

Enhanced rebates of up to \$3,500 are available for replacing aging, functioning heating and cooling equipment.

Visit [MassSave.com/Early](https://www.masssave.com/Early) for more information.
