

EVERSOURCE CHALLENGE

The Eversource Challenge is a program for K-12 students living in an Eversource electric community. It invites students to showcase their knowledge on saving energy, energy-efficient technologies, and sustainability through various challenges. In May three finalists from each grade are invited to attend an awards luncheon where they will receive their generous award.

**The Eversource Challenge officially opens in October,
be sure to check [EversourceInSchool.com](https://www.eversource.com/education/EversourceInSchool) for more information.**

LOOKING FOR WAYS TO MAKE WATCHING TV MORE ENERGY-EFFICIENT?

Consider purchasing a tier 2 advanced power strip. It provides the same functionality as a standard power strip, but offers premium surge protection, plus provides added convenience by automatically turning off devices when they are not in use, which can save you up to \$60 each year.

Visit [MassSave.com/Tier2APS](https://www.masssave.com/Tier2APS) to learn more,
and make your purchase today.
