

New Billing Information? Please Let Us Know.

Eversource provides a bill for your account each month and takes great care to ensure its accuracy. Please check your billing information and if anything is incorrect, call Eversource Customer Care at 1-800-989-0900. The person whose name appears on your bill is responsible for all the charges on the account at the rate shown on the bill.

Here's what to check on your current Eversource bill:

- your name and address
- your billing rate (*see rate schedules*)
- your meter number

If you recently added natural gas heating equipment in your home, your billing rate may need to be adjusted. Please call us at 1-800-989-0900 to verify your rate.

Eversource Rate Schedules

Rate 01 — Residential Non-Heating Service

For all single-family homes, or multi-family residential dwellings serving five or fewer units from a single meter, where natural gas is used for applications other than space heating (i.e., water heating, cooking, fireplace, etc.).

Rate 02 — Residential Heating Firm Service

For all single-family homes, or multi-family residential dwellings serving five or fewer units from a single meter, where natural gas is used as the primary home heating source.

Rate 03 — Residential Multi-Dwelling Firm Service

For all residential dwellings serving six or more units from a single meter, for all purposes.

Rate 02-SE — Residential Rate – System Expansion

For new service provided to customers with single-family dwellings and multi-family dwellings with five or fewer units from a single meter as of January 1, 2014. This rate is used when natural gas is the primary home heating source.

Rate 03-SE — Residential Rate – System Expansion

For new service provided to property owners of all multi-family dwellings with six or more units served through a single meter as of January 1, 2014.

Rate 10-SE — Small General Firm Service – System Expansion

For new service installations on or after January 1, 2014, for all commercial or industrial customers with actual or expected consumption of 5,000 Centum cubic feet (Ccf) or less per year.

Rate 20-SE — Medium General Firm Service – System Expansion

For new service installations on or after January 1, 2014, for all commercial or industrial customers with actual or expected consumption of greater than 5,000 Ccf and equal to or less than 20,000 Ccf per year.

Rate 30-SE — Large General Firm Service – System Expansion

For new service installations on or after January 1, 2014, for all commercial or industrial customers with actual or expected consumption of greater than 20,000 Ccf per year.

Locations To Pay In Person

There are many convenient locations across the state where you can pay your gas bill in person. If you do not find a convenient location among the list, there are other payment agencies that charge a nominal fee for using their service. For more information on these locations, call us at **800-989-0900**.
