

REFRIGERATOR/FREEZER PICKUP PROGRAM

We'll pay you
for that old fridge or freezer

Got a refrigerator or freezer you don't need? We'll pay you for it.

As an Eversource residential customer, you're eligible to receive a \$30 rebate when you recycle your refrigerator or freezer with NHSaves. This earns you money and saves you up to \$150 a year in energy usage — easy decision.

Refrigerators and freezers must be:

- In working condition
- Owned by the resident
- A minimum of 10 cubic feet, using inside measurements
- Customer must include their account number

The process is simple: ARCA Recycling will pick up your appliance/s, and you'll receive a check by mail 3-6 weeks later. All you have to do is schedule.

To schedule your pickup, call **877-889-4763** or visit nhsaves.com/recycle to learn more.

ENERGY STAR[®] PROGRAM FOR EXISTING HOMES

The Home Performance with ENERGY STAR program could save you a bundle.

You may be eligible for **up to \$4,000 in rebates** to help pay for recommended energy efficiency improvements such as insulation, air sealing, lighting, or heating and cooling systems.

Use our easy online calculator at NHSaves.com/hpwes to see if you qualify for a whole house energy audit.

EVERSOURCE

Energy efficiency for your home or business

There are programs available to help ALL customers – residential, commercial and municipal.

To learn more, call **800-662-7764**
or visit Eversource.com.
