

ENERGY STAR® PROGRAM FOR EXISTING HOMES

The Home Performance with ENERGY STAR program could save you a bundle.

You may be eligible for **up to \$4,000 in rebates** to help pay for recommended energy efficiency improvements such as insulation, air sealing, lighting, or heating and cooling systems.

Use our easy online calculator at [NHSaves.com/hpwes](https://www.nhsaves.com/hpwes) to see if you qualify for a whole house energy audit.

Energy efficiency for your home or business

There are programs available to help ALL customers – residential, commercial and municipal.

To learn more, call **1-800-662-7764** or visit [NHSaves.com/newhome](https://www.nhsaves.com/newhome).

ENERGY STAR® CERTIFIED NEW HOME PROGRAM

It pays to be energy efficient. **Literally.**

Building a new home?

You may qualify for incentives **up to \$4,000.**

As a New Hampshire sponsor of the ENERGY STAR Homes Program, Eversource can show you how to build and certify your new home to ENERGY STAR specifications, providing efficiency recommendations, testing and certification for your home to help ensure it meets the required program guidelines.

**Better quality, better comfort,
better durability—plus reduced
utility and maintenance costs.**

To learn more, call **1-800-662-7764** or visit **[NHSaves.com/newhome](https://www.nhsaves.com/newhome)**.
