		Application Guio	delines		
This HEAT SMART application is intended to inform customers of their responsibility to adhere to the back-up heating requirements as outlined above. Failure to meet the requirements will result in the unavailability of the HEAT SMART rate. Additional information pertaining to HEAT SMART and its availability can be found on PSNH's website at www.psnh.com . ("For My Home" → "save energy & money" → "Programs and Rebates" → Heating and cooling".) For questions pertaining to the HEATSMART Program, please contact Construction Services Support Center at 1-800 362-7764 we are					
available Monday - Friday 6 AM - 6 PM or e-mail PSDESK@NU.com. Completion of this application does not constitute acceptance into the program. This application can be withdrawn by the customer at any time.
