

Get Ready for Spring with **ENERGY STAR® Certified Products**

If you're looking for a fresh start this spring, consider upgrading to an ENERGY STAR certified product.

These eco-friendly models emit fewer harmful emissions and are proven to use less energy compared to their non-certified counterparts.

Enjoy savings on various energy-efficient products, including but not limited to:

- Air purifiers: up to \$40 off
- Wi-Fi thermostats: up to \$75 off
- Advanced power strips: up to \$40 off

Help Decarbonize Connecticut

Earn rewards for helping us lower demand on the power grid and reduce New England's carbon footprint.

The Eversource demand response programs are designed to help you earn rewards by allowing us to adjust the energy use on select devices in your home during times of peak demand on the grid.

- \$50 for enrolling an eligible Wi-Fi thermostat, \$20 each year for participating in peak energy events
- An average of \$1,100 each year for letting us draw power from your battery storage system during peak energy events

Visit **eversource.com/demand-response** to get started.
