

Join us at the Connecticut Energy Expo

Eversource is a proud sponsor of the Connecticut Power and Energy Society's first annual Energy Expo, taking place on **October 19-21** at the Connecticut Convention Center.

We'll be there to showcase clean and energy-efficient solutions for businesses and residents alongside many other area companies and organizations.

This event is **free to attend!**

Visit goenergyexpo.com to learn more and register today.

Let Eversource help your business save energy and optimize performance

Do you run a small business paying less than \$20,000 in energy costs each month? The Small Business Energy Advantage Program might be your turnkey solution for a comprehensive energy upgrade.

You'll start with a no-cost, no-obligation assessment. Once you're ready, you can take advantage of:

- 0% financing
- A fast return on investment for all upgrades
- Incentives up to 65% of the installed costs of lighting, controls, refrigeration, heating, cooling, and other improvements
- Microbusinesses may qualify for additional incentives

Visit eversource.com/business-energy-assessments to get started.
