STARTING TO GO
DOWN...

EVERSOURCE

...OIL PRICES are on the way UP!

Thinking about your heat now
is just plain smart.

Heating oil prices are up **almost 30 percent**
from last year. Natural gas prices are regulated,
and switching to gas heat
can save you a lot of money.

Ready to switch now?

*Please note, you are receiving this promotion
because our records indicate that you do not currently heat
your home with natural gas. If you do heat your home with
natural gas, please contact Eversource at **855-645-2427**
to verify your billing rate.*
