

Energy efficiency = savings + comfort

Eversource offers no-cost Home Energy Assessments to help you learn about your top energy-saving opportunities in an easy, convenient way. An Energy Specialist will assess your current energy use, help you develop a plan to make your home more energy efficient, and educate you on rebates and incentives.

You may qualify for:

- No-cost air sealing, so that warm or cool air won't escape to prevent allergens from entering your home
- 75% or more off the cost of approved insulation improvements to help maintain a comfortable temperature
- Attractive rebates on heating, cooling, water heating equipment and appliances

Customers who meet household income guidelines may be eligible for additional offers through the Income Eligible and Enhanced Residential programs. Visit MassSave.com/IncomeEligible to find out if you qualify.
