

Lower energy use by upgrading your home's heating

When it comes time to replace your natural gas boiler or furnace, speak to a licensed contractor to find a high-efficiency option suitable for your home.

Rebates up to \$2,000 are now available for the purchase of eligible ENERGY STAR® certified equipment when moving from non-condensing to condensing equipment. Pre-verify your non-condensing equipment through a quick virtual or in-person visit.

Get started at eversource.com/home-savings or speak with your contractor to learn more.

Enjoy lower energy use and reliable hot water with high efficiency equipment.

Keep energy use down and hot water flowing this year with an energy-saving water heater.

When it comes time to replace your natural gas water heater, speak to a licensed contractor to see if an ENERGY STAR® certified tankless water heater is suitable for your home.

Rebates up to \$1,500 are now available for the purchase of eligible water heating equipment.

Visit eversource.com/home-savings or speak with your contractor to learn more.
