

Electric RATES

EVERSOURCE

2023

Business RATES

*Our business rates are for non-residential use.
Condominium and cooperative common areas may
take service on a small general service rate, if qualified.*

23/33/35/88 Small General Service (G-1)

This rate is for non-residential customers with a load that does not exceed an average 100 kW for 12 consecutive billing months. Demand meters will be installed for all new customers.

84 Medium General Service (G-2)

This rate is for customers with a load that is greater than an average of 100 kW but less than an average of 500 kW for 12 consecutive billing months.

24 Large General Service (G-3)

This rate is for customers with a load that is greater than an average of 500 kW for 12 consecutive billing months.

Eversource offers different rates to best meet your needs. Which rate is best for you depends on a number of factors, including whether you use electricity for heating, meet discount rate guidelines, or use electricity during off-peak hours.

Eversource's rates are approved by the Massachusetts Department of Public Utilities (DPU). For rate information visit [Eversource.com](https://www.eversource.com).

Please take a moment to review the following rate information and make sure you are on the best rate. The "Total Charges for Electricity" section of your bill indicates your current rate. If you have any questions, please call us at 800-592-2000.

Residential RATES

Our residential rates are for domestic use in single private dwellings, individual apartments or in a residential condominium. Condominium and cooperative common areas may take service on residential rates or any lower commercial rate, if qualified.

32/39/57/58/66/68 Residential (R-1)

This rate is available to all domestic uses in a single private dwelling, in an individual apartment or in a residential condominium in which the principal means of heating the premises is not provided by permanently installed electric space heating equipment.

30/37/38/60 Residential Assistance (R-2)

This rate is available to all domestic uses in a single private dwelling, in an individual apartment or in a residential condominium in which the principal means of heating the premises is not provided by permanently installed electric space heating equipment. To be eligible for this rate, customers need to receive certain means-tested government benefits or fuel assistance. A 42% discount will be applied to the total bill amount.

86/61 Residential Space Heating (R-3)

This rate is available to all domestic uses in a single private dwelling, in an individual apartment or in a residential condominium in which the principal means of heating the premises is provided by permanently installed electric space heating equipment.

42/65 Residential Space Heating Assistance (R-4)

This rate is available to all domestic uses in a single private dwelling, in an individual apartment or in a residential condominium in which the principal means of heating the premises is provided by permanently installed electric space heating equipment. To be eligible for this rate, customers need to receive certain means-tested government benefits or fuel assistance. A 42% discount will be applied to the total bill amount.
