

# What does your schedule look like on a typical Saturday?

Make your day easier with **natural gas**.

## Discover the **convenience** and **comfort** of natural gas.

**6:30 a.m.** ..... Your high-efficiency natural gas furnace warms your house rapidly and quietly.

**8:30 a.m.** ..... Hot showers for the entire family with your on-demand gas water heater that never runs out.

**9:00 a.m.** ..... Pancakes for everyone cooked perfectly on the easy-to-control gas cooktop.

**12:00 p.m.** ..... Get the family together for some fun! Make a homemade pizza and bake it in your natural gas oven.

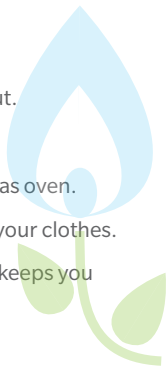

**3:00 p.m.** ..... Laundry is running. No worries about hot water and your natural gas dryer will quickly dry your clothes.

**6:00 p.m.** ..... Enjoy some late-season time on the patio. The relaxing flames from your natural gas firepit keeps you warm with the click of a button.

**7:30 p.m.** ..... Relax on the couch while your gas fireplace provides instant ambience and heat.
