

Price of Natural Gas vs. Oil

Natural gas price is adjusted to represent a gallon of oil equivalent.

Stay warmer and pay less

Compare natural gas to oil heating.

Natural gas is clearly the winner!

	Lower Cost	No storage tank needed	No need to wait for fuel delivery	No risk running out of fuel	No soot	High efficiency equipment	No upfront payment
Heating Oil	—	—	—	—	—	—	—
Natural Gas	✓	✓	✓	✓	✓	✓	✓
	Stay warmer for less	No smell or unsightly tank	Piped directly to your home	Natural gas is always there	Natural gas is the cleanest heating fuel	Gas furnaces are up to 98% efficient	Only pay for the fuel you use after you use it
