

Make life easier with natural gas!

Ever run out of heating oil? Tired of shoveling a path for your oil delivery? Worried about oil deliveries in bad weather? Sick of high heating bills?

Say goodbye to these problems with clean, safe, efficient natural gas piped directly to your home. Natural gas simplifies your life by eliminating the inconveniences of heating your home with other fuels.

With natural gas you also save money, and because it's clean, it's better for the environment. We'll schedule a no-obligation appointment at your home to show you how easy it is to switch and how much you can save on your monthly heating bill.

See back for details.

EVERSOURCE

Compare natural gas to oil heating.

Natural gas is clearly the winner!

	Lower cost	No storage tank needed	No need to wait for fuel delivery	No risk of running out of fuel	No soot	Highest efficiency equipment	No upfront payment
Heating Oil	—	—	—	—	—	—	—
Natural Gas	✓	✓	✓	✓	✓	✓	✓
	Stay warmer for less	No smell or unsightly tank	Piped directly to your home	Natural gas is always there	Natural gas is the cleanest heating fuel	Gas furnaces are up to 98% efficient	Only pay for the fuel you use after you use it
