

Eversource continues to offer you ways to save

Before starting a project or purchasing new equipment for your home, consider energy-saving options offered through Eversource, your energy efficiency service provider.

- Online store with instant discounts on LED lighting, Wi-Fi thermostats, room air purifiers and more
- Refrigerator and freezer recycling rebate
- Rebates on water heating, cooling, and heating equipment
- Appliance rebates

Virtual Home Energy Assessments Available

Eversource is now offering a no-cost virtual Home Energy Assessment option to customers.

Your remote visit is held with one of our Energy Specialists by video chat. You receive the same expertise and opportunities to save as an in-home visit, including insulation incentives, no-cost air sealing, and products such as LED light bulbs, advanced power strips, and thermostats.*

**Products are shipped to you for installation. Air sealing and insulation will be completed on-site at a future date.*

**Learn more about all Home Energy Assessment options in the [Save Money & Energy](#) section on [Eversource.com](#).
Call **844-887-1400** to schedule.**
