

## Turn over a new energy-saving leaf

The leaves are beginning to fall, and so can your energy costs.

Take the first step toward saving money and energy by getting a no-cost Home Energy Assessment from Eversource. You'll get personalized energy-saving upgrade recommendations for your home and discover rebates and incentives to help you save.

Call **866-527-SAVE** to schedule an assessment  
or visit **MassSave.com/HEA** to learn more.

## Breathe easy this season

Save \$40 on an ENERGY STAR® room air cleaner, which uses 40% less energy than a standard model.

Your new air cleaner can remove dust, pollen and even unpleasant odors from your home. Plus, it can save you up to \$250 in electricity costs over the course of its lifetime.

Visit [MassSave.com/RoomAirCleaner](https://www.masssave.com/RoomAirCleaner)  
to claim your rebate.
