L60 Outdoor Lighting

This rate is available for customers with outdoor gas lighting where a standard gas light is attached to the existing distribution system, and when it is not feasible to meter gas for such lighting along with other gas used on the premises and bill the same under the rate in effect for all other service. All such installations shall be on private property.

Eversource offers different rates to best meet your needs. Which rate is best for you depends on a number of factors, including whether you use gas for heating, or meet discount rate guidelines.

Eversource's rates are approved by the Massachusetts Department of Public Utilities (DPU). Please take a moment to review the following rate information and make sure you are on the best rate. The "Total Charges for Gas" section of your bill indicates your current rate. If you have any questions, please call us at 800-688-6160.
