Business RATES

Our business rates are for non-residential use. Condominium and cooperative common areas may take service on a small general service rate, if qualified.

G1 Small General Service (G-1)

This rate is for non-residential customers with a load not to exceed 100 kW. All new customers will be assigned the Non-Demand Price Option unless otherwise requested by the customer. Unmetered customers may not elect the Demand Price Option. Demand meters will be installed for all new customers.

G2 Medium General Service

This rate is for customers whose service is greater than 100kW, but not to exceed 349 kW.

G3 Large General Service

This rate is for customers whose maximum demand equaled or exceeded 350 kW but less than 2,500 kW at any time in the most recent 12 months and new customers whose demand is reasonably anticipated to equal or exceed 350 kW but less than 2,500 kW within one year must take service under this rate. This rate has peak and off-peak periods.

T4 Optional Medium General Service Time of Use

This rate is customers whose service is greater than 100kW, but not to exceed 349 kW. This rate has peak and off-peak periods.

T5 Extra Large Primary Service Time of Use

This rate is for customers whose maximum demand equaled or exceeded 2,500 kW at any time in the most recent 12 months and new customers whose demand is reasonably anticipated to equal or exceed 2,500 kW within one year must take service under this rate. This rate has peak and off-peak periods.

Eversource offers different rates to best meet your needs. Which rate is best for you depends on a number of factors, including whether you use electricity for heating, meet discount rate guidelines, or use electricity during off-peak hours.

Eversource's rates are approved by the Massachusetts Department of Public Utilities (DPU). For rate information visit [Eversource.com](https://www.eversource.com).

Please take a moment to review the following rate information and make sure you are on the best rate. The "Total Charges for Electricity" section of your bill indicates your current rate. If you have any questions, please call us at 877-659-6326.

Residential RATES

Our residential rates are for domestic use in single private dwellings, individual apartments or in a residential condominium. Condominium and cooperative common areas may take service on residential rates or any lower commercial rate, if qualified.

R1 Residential

This rate is available to all domestic uses in a single private dwelling, in an individual apartment or in a residential condominium in which the principal means of heating the premises is not provided by permanently installed electric space heating equipment.

R2 Residential Assistance

This rate is available to all domestic uses in a single private dwelling, in an individual apartment or in a residential condominium in which the principal means of heating the premises is not provided by permanently installed electric space heating equipment. To be eligible for this rate, customers need to receive certain means-tested government benefits or fuel assistance. A 42% will be applied to the total bill amount.

R3 Residential Space Heating

This rate is available to all domestic uses in a single private dwelling, in an individual apartment or in a residential condominium in which the principal means of heating the premises is provided by permanently installed electric space heating equipment.

R4 Residential Space Heating Assistance

This rate is available to all domestic uses in a single private dwelling, in an individual apartment or in a residential condominium in which the principal means of heating the premises is provided by permanently installed electric space heating equipment. To be eligible for this rate, customers need to receive certain means-tested government benefits or fuel assistance. A 42% will be applied to the total bill amount.
