

Eversource continues to offer you ways to save

Before starting a project or purchasing a new system for your home, consider energy-saving options offered through Eversource, your energy efficiency service provider.

- Weatherization options through Home Performance with ENERGY STAR®
- Rebates and instant discounts on water heating, cooling, and heating equipment
- Appliance rebates, including some online options
- Online discounts for LED lighting
- Refrigerator and freezer recycling rebate

EVERSOURCE

A new home that helps you save

If you are building a new home, let Eversource help you build a quality home that offers you and your family a lifetime of comfort and savings.

Our experts will guide you with energy recommendations, performance testing, and even ENERGY STAR® certification. Plus, incentives up to \$4,000 are available when your home meets requirements.
