## **K. Buildings Vacant for Periods Greater Than Six Months**

**State of CT House Bill 6292:** If an owner of a building or portion of a building that has been unoccupied and disconnected from the electric distribution system for a period of six months or longer wishes to resume delivery of electricity to such building or portion of such building, the owner shall contract with an electrician licensed pursuant to chapter 393 of the general statutes, at the expense of the owner of such building, to inspect the electric conductors and equipment up to and including the main device to disconnect electric power to such building. The electrician shall provide written notice to the electric distribution company, as defined in section 16-1 of the general statutes, authorized to provide electric distribution services to the service area in which such building is located that such equipment is electrically safe and does not constitute a public safety hazard. Upon receipt of the written notice, the electric distribution company shall promptly resume delivery of electricity to such building or portion of such building.

**Contact CL&P at 1-800-286-2000 or 860-947-2000 in the Hartford area to provide notice in compliance with this law.**

## **L. Services Disconnected Due to Flood, Fire or Similar Circumstance**

If a service has been disconnected due to damage caused by flood, fire or similar circumstance it will not be reconnected without notification by an appropriate public official such as the Fire Marshall or Code Enforcement Official.
