

WESTERN MASSACHUSETTS TEMPORARILY APPROVED METER SOCKET LIST - DUE TO SUPPLY CHAIN SHORTAGES AS OF 11-18-2022

As of May 30, 2023

In support of moving customer projects forward, the meter sockets listed below are only approved during the meter socket shortage.

All sockets shall have a lever bypass with clamping jaws, arc flash shield, ringless cover, and a bonding connection between the neutral and the enclosure.

***Eversource installs and owns the cable for services fed from a duct and manhole system. These meter sockets are the only option approved for this type of installation.**

Please contact Eversource for clarification before placing an order not included on this list or that does not meet the requirements noted.
