- 3.1 Owner shall pay all undisputed charges indicated in properly itemized and supported invoices for Work performed by Consultant and Accepted by Owner in accordance with the terms of the Agreement, within thirty (30) days after receipt of invoice by Owner. Upon Owner's request, Consultant shall provide documentation regarding un-vouchered liabilities including: a) the estimated dollar amount of all Work performed but not invoiced for that month or previous months, and b) any invoice submitted but not yet paid. Documentation must include Owner's Order number and, if applicable, release number.

- 3.3 Each invoice shall (a) be certified in writing as correct by Consultant's Representative; (b) be itemized (with reasonable detail and supporting documentation for any authorized reimbursable expenses in excess of \$25.00 per receipt) to fully describe each element of cost charged to Owner and any negotiated early payment discounts and (c) if applicable, contain a certification acceptable to Owner

to the effect that all Subcontractors have been paid in full for completed Work as reflected in the immediately preceding invoice. For time and material Work, Consultant shall bill in accordance with Owner's billing instructions.

- 3.4 Owner may withhold payment of all or part of any invoice to such extent as may be necessary to protect itself from loss caused by: (a) defective Work not remedied; (b) claims filed or reasonable evidence indicating probable filing of claims by other parties against Consultant and/or Owner in connection with the Work; (c) failure of Consultant to make payments properly to Subcontractors for material, labor or equipment; (d) reasonable indication that the unpaid balance is insufficient to cover the cost to complete the Work; (e) reasonable indication that the Work will not be completed within the Agreement schedule; (f) unsatisfactory performance of the Work by Consultant; (g) failure of Consultant to perform any of its obligations under the Agreement; or (h) failure of Consultant to pay any amounts due Owner. Owner shall notify Consultant of the grounds for any withholding, and when the above grounds are removed, or Consultant provides performance assurance satisfactory to Owner that will protect Owner for the amount withheld, payment will be made of the amounts withheld. When deemed reasonable by Owner, Owner may use such funds to rectify the situation causing the withholding of funds.
- 3.5 To the extent permitted by law, Owner shall have the right to set-off against any sums due Consultant under the Agreement any claims Owner may have against Consultant under the Agreement, or under any other contract between Owner and Consultant, or that Owner may otherwise have against Consultant without prejudice to the rights of the parties with respect to such claims. - 3.6 Except for Work performed at a fixed price, Consultant shall make available to Owner during the Work and for a period of three (3) years following Final Acceptance of all Work, all source documents necessary to verify the elements of all billable charges, including but not limited to: each worker's name, charge classification, and hours worked; computer usage summaries; and original documentation of all reimbursable expenses (e.g. receipts for travel, business expense and employee expense). Consultant's price(s) and any Billing Rates that apply under the Agreement include all tariffs, imports or similar duties but exclude any and all present and future Federal, state, county, municipal or other jurisdiction's sales, use, excise or other taxes that may apply to the Work and Owner's purchase of the Work and any applicable present and future Federal, state, county, municipal or other jurisdiction's sales, use, excise or other taxes shall be included in invoices and separately identified and itemized. The Owner shall provide any applicable tax exemption certificates to the Consultant upon the Consultant's request.
- 4.2 Taxes on Consultant's Purchases. If Owner informs Consultant that Owner has a tax exemption certificate or a direct pay permit that applies to a specified portion of the Work, Consultant shall notify its Subcontractors and suppliers that their Services performed for, materials supplied for Consultant's use in, and/or Equipment supplied for installation as part of the specified "tax exempt portion" or "direct pay portion" of the Work are either exempt from sales and use taxes or Owner pays such taxes directly. Consequently, these Subcontractors and suppliers should not collect such taxes from Consultant and Consultant's prices and Billing Rates to Owner should reflect such tax exemption or Owner's direct payment on Consultant's purchases from Subcontractors and suppliers for the tax exempt or direct pay portion of the Work. Subcontractors and suppliers providing Services, materials and or Equipment for any portions of the Work that are neither tax exempt nor direct pay shall apply any normally applicable sales or use taxes to such "normal tax"

portions of the Work and Consultant's prices and Billing Rates will be deemed to include any and all applicable taxes on such normal tax portions of the Work. If Owner does not inform Consultant that it has a tax exemption certificate or a direct pay permit that applies to a portion of the Work, Consultant should presume that its purchases from Subcontractors and suppliers associated with the Work are subject to any applicable sales and/or use taxes on such purchases and Consultant will be deemed to have included any and all applicable taxes on its purchases from Subcontractors and suppliers in the prices and Billing Rates stated in the Agreement provided that any Billing Rates using markup percentages will not apply to taxes paid for such purchases.

- 4.3 Income, Property and Payroll Taxes. Notwithstanding any provision of the Agreement, Owner shall not be required to pay or reimburse Consultant for any taxes levied against Consultant's income, property or payroll.

- 4.4 RESERVED.

5. CHANGES AND ADDITIONS.

- 5.1 Either Party may request changes or additions to the Work by submitting a written request to the other. Changes requested by Consultant shall not, however, be implemented until approved in writing by Owner. All changes shall be made in accordance with approved Owner procedures included in the Agreement documents or otherwise provided to Consultant.
- 5.2 Owner shall have the right to require Consultant to delete from, change or add to the Work, in each case to the extent that any such deletions, changes, additions or other alterations are of the character described in the scope of Work, and to the extent such deletions, changes or additions are within the general expertise of Consultant Resources performing the Work. If such deletions, changes or additions are scheduled to be completed by or within six (6) months following the then-scheduled completion date for the Work as specified in the Agreement, such Work shall be performed at Consultant's time and material rates in effect for the Agreement, unless the parties agree in writing to another method of compensation.
- 5.3 If a deletion, change or addition will increase or decrease the cost or time required to complete the Work, the Party requesting the change or addition will set forth in its request the appropriate adjustment to compensation or completion deadlines. Written acceptance by the Party receiving the request for change or addition shall be a binding resolution between parties of the issues set forth in the request.
- 5.4 At no time shall the Work be delayed by Consultant due to a dispute between the parties concerning the cost or time required to accomplish a deletion, change or addition requested by either Party.
- 5.5 Consultant shall not commence or undertake any portion of any Work for which it contends that any extra compensation or schedule adjustment is or will be owed or due or payable, without prior written authorization from Owner, and such authorization shall be required for payment of any extra compensation to, or adjustment of any schedule requirement for the benefit of, Consultant. In all instances, Consultant shall orally notify the Owner's Representative of any circumstances that could result in a change in the scope of the Work (or a claim therefor) as soon as possible after the occurrence of the event or incident, and in writing within twenty-four (24) hours after such occurrence. Thereafter, Consultant shall submit to Owner appropriate detailed supporting documentation, justifying the basis for the claim, within ten (10) Business Days after the date of the event or incident giving rise to such claim. Without relieving Consultant of its obligations hereunder, any claims by Consultant for increased compensation or extension of completion deadlines shall be irrevocably waived and released unless Consultant provides such immediate oral notice and twenty-four (24) hour written notice and thereafter submits such detailed supporting documentation for the claim to Owner within such ten (10) Business Day period.

6. INFORMATION.

- 6.1 If Consultant is required to provide Information, complete and accurate Information shall be submitted

in sufficient time for review and approval by Owner prior to starting Work affected by such documents. All Work shall conform to the details shown on Information approved by Owner.

- 6.2 Once Information has been approved by Owner, Consultant shall not make any changes in Information without the prior written approval of Owner.
- 6.3 Consultant shall immediately notify Owner and request additional instruction whenever Owner-provided Information is found to be unclear, incorrect or conflicting. Consultant shall not undertake any Work based upon such Information until such discrepancy has been resolved by Owner.
- 6.4 Preliminary, certified for manufacture, certified for construction and as-built drawings shall be submitted to Owner for approval in the form requested by Owner. Any drawing shall be produced in accordance with any Specifications and acceptable industry practices and shall be legible such that Owner is able to clearly distinguish all characters and lines.
- 6.5 For Work that includes Information that is not prepared exclusively and solely for Owner, Consultant shall retain title to any such Information (excluding any portion thereof that contains Owner's Confidential Information) that is subject to Consultant's patents, copyrights, trademarks, service marks, intellectual property rights or proprietary interests provided that Owner shall have unrestricted and non-exclusive rights and license to use such Information. For Work that includes Information that is prepared exclusively and solely for Owner, all such Information is the proprietary Information of Owner and shall be subject to the requirements applicable to Owner's Confidential Information as set forth in Article 34 "CONFIDENTIAL INFORMATION" herein, whether or not each such document is so identified.
- 6.6 Consultant shall be responsible for the completeness and accuracy of the Information it provides and shall correct, at its expense, all errors or omissions therein. Without limitation of any and all other rights and remedies available to Owner, the reasonable cost necessary to correct matters attributable to such errors shall be chargeable to Consultant.
- 6.7 Consultant shall provide Owner with all Information necessary for Owner's use and understanding of the Work and the installation, operation, maintenance and repair thereof, and to allow Owner to satisfy any legal process, or any filing or disclosure requirement required under law or regulation or requirement of a governmental body. Except for Information deemed to be proprietary to Consultant under the terms of the Agreement, and except as set forth in this Article 6, all Information supplied or delivered to Owner pursuant to the Agreement shall be the property of Owner. Consultant may retain for its records only, copies of any Information furnished to Owner, and unless otherwise agreed to by the parties, shall treat such Information in accordance with the requirements applicable to Owner's Confidential Information.
- 6.8 Consultant shall keep such full and detailed accounts for proper financial management under this Agreement as Owner may reasonably request. Consultant shall also promptly provide other information, copies of such reports, and other information reasonably requested at no cost to Owner.

7. ELECTRONIC DELIVERY OF INFORMATION.

Owner and/or Consultant may agree to exchange business data or information electronically using a point-to-point connection or a value-added network either directly or through a third-party E-Business provider (collectively, "E-Business"). The parties recognize and agree that the electronic transmission of information, including attachments, and access to E-Business systems by Owner employees, cannot be guaranteed to be secure from third party interception, error free or free from viruses or other damaging computer code, and that such information could be intercepted, corrupted, infected, lost, destroyed or incomplete, or otherwise be adversely affected during transmission or harmful to the recipient's computer system. Owner and Consultant have each taken steps within their organization to reduce the foregoing risk, consistent with the industry practices; however, there can be no assurance that outgoing E-Business is free of the foregoing

faults or that engaging in E-Business will not create any harm to electronic systems. If Consultant agrees to transmit information or documents relating to this Agreement using E-Business, Consultant shall be deemed to have accepted and be bound by the terms of this Agreement.

8. DELAYS.

8.1 Schedule Commitment/Notice of Delay. Time is of the essence with respect to the performance of the Work. Each Party shall give the other prompt written notice of any circumstances that may delay performance of the Work including any Force Majeure (as defined in Section 9.1). Consultant shall notify Owner's Representative of any such circumstance orally as soon as possible after such circumstance occurs and in writing within twenty-four (24) hours after the occurrence of such circumstance. Consultant shall record the cause of any resulting delay and the time lost in its reports and in its time sheets and shall submit such reports and time sheets to Owner's Representative.

8.2 Delays in Performance for Reasons Other Than Force Majeure.

8.2.1 Owner may at any time request Consultant to delay performance, fabrication or delivery of all or any portion of any Work to be provided under the Agreement. Consultant shall use its best efforts to accommodate such delay. However, if Consultant is unable to accommodate all or a portion of Owner's request, it shall notify Owner in sufficient time for Owner to take alternative measures.

8.2.2 RESERVED.

8.2.3 If Work or any portion thereof is ready for performance, but performance is delayed beyond the scheduled performance by Owner, the parties will use good faith efforts to negotiate a change order to address the Work schedule and any Direct Actual Costs resulting from such delays.

8.2.4 Consultant shall complete the Work in accordance with the Work schedule. If the Work falls behind schedule due to acts or omissions of Consultant or any Consultant Resources, Consultant shall, at its sole cost and expense, use its best efforts to restore the Work to schedule, including but not limited to placing Consultant Resources on extended working hours, assigning additional resources to the Work, and establishing expedited, priority treatment for the provision of Services, necessary to complete the Work within the time set forth in the Agreement.

8.3 RESERVED.

8.4 RESERVED.

9. FORCE MAJEURE.

9.1 Neither Party shall be liable to the other for loss or damage resulting from any delay or failure of a Party to perform its contractual obligations due to conditions or circumstances which are beyond that Party's control, including: acts of God; war; acts of a public enemy; riot; civil commotion, sabotage; Federal, state or municipal action, inaction or regulation; strikes or other labor troubles (excluding those involving such Party's employees); fire; flood; accidents; epidemics; quarantine restrictions; embargoes; damage to or destruction in whole or in part of office equipment or manufacturing plant, to the extent such facilities are necessary to proper performance of the Party's obligations under any Agreement and alternate facilities are not reasonably available; and inability to obtain raw material, labor, fuel or supplies; provided however, that such failure or delay is not caused by that Party's failure to satisfy its obligations under the Agreement or could not have been prevented by reasonable precautions taken by the non-performing Party, or could not reasonably be circumvented by the non-performing Party through the use of alternate sources or plans or other means.

9.2 Force majeure shall extend the time for Consultant's performance to the extent such condition directly

affects completion of Work. Consultant shall use its best efforts to reschedule its Work to mitigate the effect of such condition and to eliminate such condition as soon as possible. If the Work falls behind schedule due to a Force Majeure, Owner may direct Consultant to accelerate the Work by whatever means Owner may deem necessary, including subcontracting Work or working additional hours or shifts, and Owner shall pay Consultant for the agreed Direct Actual Costs incurred by Consultant in connection with any such directed acceleration.

- 9.3 Neither this Article nor any other provision of the Agreement shall excuse the non-performance or delayed performance of Consultant due to any failure of the Consultant to prepare for the Work or due to any commercial impracticability experienced by Consultant, including market changes, increased costs or insufficient money or other resources.

10. INSPECTION.

- 10.1 RESERVED.

- 10.2 Consultant shall provide Owner timely notice of the date of all tests affecting the Work and test results and provide Owner timely delivery of intermediate or draft Work, as required. Owner's approval of Work shall in no way reduce or modify Consultant's obligations to meet performance and other requirements of the Agreement. By such approval, Owner in no way assumes any part of Consultant's responsibility for the satisfactory performance of Work.

- 10.3 Owner shall have the right to inspect the status of all Work at any time. No Acceptance of Work shall be construed to result from such inspections by Owner.

- 10.4 RESERVED

11. REQUIREMENTS FOR ACCEPTANCE.

Acceptance of Work shall be conditioned upon Consultant submitting to Owner's Representative the following:

- 11.1 RESERVED.

- 11.2 properly executed, unconditional waivers or releases of lien from Consultant and all Subcontractors, conditioned upon payment, who provide labor, materials, equipment or supplies for the Work;

- 11.3 evidence of satisfactory completion of Work;

- 11.4 all Information required under the Agreement; and

- 11.5 Return of all property provided by Owner.

12. PARTIAL COMPLETION AND ACCEPTANCE.

If at any time prior to Acceptance as referred to in Article 11 "REQUIREMENTS FOR ACCEPTANCE", any portion of the Work has been completed and if Owner determines that such portion of the Work is of value, Owner will, if applicable, issue to Consultant a certificate or other written acknowledgement of partial completion. Upon the issuance of such certificate or other written acknowledgement, or at any time thereafter, Owner may take over and use the portion of the Work described in such certificate and may exclude Consultant therefrom. The issuance of a certificate of partial completion or other written acknowledgement will not release the Consultant from any obligations under the Agreement unless such prior use delays the Work or increases its cost. In this event, the Consultant will be entitled to extra compensation or extension of time, or both, as Owner may determine.

13. SUSPENSION OF WORK.

Owner may at any time suspend the Work or any part thereof upon oral notice to Consultant. Such oral notice shall be confirmed in writing by Owner. The Work shall be resumed by Consultant promptly after written notice from Owner to Consultant to do so. Owner will make payment for all Work

completed and accepted by Owner as of the suspension date, in accordance with the agreed payment rates and milestones.

14. TERMINATION FOR CAUSE.

14.1 Without prejudice to any other right or remedy Owner may have under the Agreement, at law and/or in equity and upon providing written notice of such termination to Consultant, Owner may terminate the Agreement without any liability being owed thereby by Owner to Consultant, in the event of the occurrence of any of the following:

- 14.1.1 insolvency of Consultant;
- 14.1.2 filing of a voluntary petition in bankruptcy by Consultant;
- 14.1.3 filing of an involuntary petition in bankruptcy against Consultant;
- 14.1.4 appointment of a receiver or trustee for Consultant;
- 14.1.5 execution by Consultant of an assignment or any general assignment (other than an assignment undertaken in connection with a financing) for the benefit of creditors;
- 14.1.6 commencement of any legal proceeding against Consultant that, in Owner's opinion, may interfere with Consultant's ability to perform in accordance with the Agreement; or
- 14.1.7 Consultant consolidates with, or merges with or into, or transfers all or substantially all of its assets to, another entity and/or sells, assigns or otherwise transfers the Agreement; in each case without Owner's advance written consent.

14.2 If Consultant fails to diligently perform the Work in accordance with the Agreement or if Consultant otherwise breaches any of the terms of the Agreement, in addition to Owner rights set forth in Section 14.1 above, and Section 25.7 regarding safety or environmental violations, Owner shall have the right without any liability being owed thereby by Owner to Consultant, upon giving Consultant written notice of default and allowing Consultant a period of five (5) Business Days, or such other period as may be agreed upon by the parties or as may be determined by Owner to be necessitated by exigent circumstances, to remedy such deficiency, and such default not being completely remedied, to: cancel the Agreement in whole or in part upon giving written notice to Consultant; and to complete the Work itself or to have the Work completed by another entity, with any additional cost associated therewith being the liability of the Consultant.

14.3 Upon receipt of any notice of termination as described in Section 14.1 or Section 14.2 above, Consultant shall immediately cease Work, commence demobilization of any affected Consultant Resources, and shall promptly settle the liabilities and claims arising out of the termination of subcontracts and orders.

14.4 Consultant shall promptly transfer title and deliver to Owner completed or partially completed Work and/or contract rights of Consultant relating to the Work, and Consultant shall execute and deliver such documents and take all such actions as Owner may require for the purpose of vesting in Owner such ownership, rights and benefits of Consultant with respect to the Work.

14.5 In the event any termination under this Article 14 is subsequently determined pursuant to the dispute resolution process set forth in Article 39 "DISPUTE RESOLUTION; NEGOTIATION; MEDIATION; ARBITRATION", to have been made without cause, such termination shall be deemed a Termination for Convenience under Article 15 hereof.

15. TERMINATION FOR CONVENIENCE.

15.1 Owner shall have the right to terminate and/or cancel the Agreement or all or any portion of the Work for any reason, or for Owner's convenience, and at its sole and exclusive discretion, upon at least one (1) day's prior written notice to Consultant, and the Agreement, or all or any portion of the Work, as the case may be, shall terminate and/or be cancelled on the effective date specified in Owner's notice. Upon such effective date, Consultant shall immediately cease Work, commence demobilization of any affected Consultant Resources, and, if requested by Owner, promptly remove from the Site all materials and equipment which have not been either fully or partially paid for by Owner. Consultant shall promptly settle the liabilities and claims arising out of the termination of subcontracts and orders and shall use its best efforts to minimize any associated costs. After termination, Consultant shall

cooperate with Owner to the fullest extent for the purpose of allowing Owner or its designee to fully perform all functions previously performed by Consultant under the Agreement.

The foregoing obligations and restrictions regarding disclosure of Information in this Article 46 shall not apply to Consultant's Confidential Information, which shall be governed by Article 34 "CONFIDENTIAL INFORMATION". The provisions of this Article shall survive the termination of the Agreement and shall bind the parties and their successors and assigns.
