

**REQUEST FOR PROPOSALS  
FOR THE REASSIGNMENT OF USE RIGHTS ON THE PHASE I/II HVDC  
TRANSMISSION FACILITIES**

**March 8, 2022**

NSTAR Electric Company, The Connecticut Light and Power Company, Public Service Company of New Hampshire (collectively the “Eversource Companies”), each d/b/a Eversource Energy, are requesting proposals for the transfer/reassignment of the Eversource Companies’ rights to use a portion of the transfer capability on the Phase I and Phase II high-voltage, direct-current transmission facilities from the Hydro-Québec system (“Use Rights”).

Eversource Companies’ are seeking proposals for:

- Up to 100% of Use Rights for the period **June 1, 2022 through May 31, 2023.**
- Up to 50% of Use Rights for the period **June 1, 2023 through May 31, 2024.**
- Up to 25% of Use Rights for the period **June 1, 2024 through May 31, 2025.**

The Eversource Companies’ combined Use Rights offered herein are as follows:

- Québec to New England (southbound) = 586 MW (Firm) and 389 MW (Non Firm);
- New England to Québec (northbound) = 488 MW (Firm) and 97 MW (Non Firm).

Proposals may be for (i) 100% of the combined Use Rights of the Eversource Companies or (ii) for tranches of their combined Use Rights in bid blocks of 25%, rounded down to the next lowest whole megawatt value. Winning Bidders will be awarded both northbound and southbound entitlements; therefore, separate proposals for northbound and southbound entitlements will not be accepted.

None of the following are included in the Use Rights being offered pursuant to this RFP (and the following shall be retained by the Eversource Companies): Hydro Québec Interconnection Capability Credits, known as HQICCs; Voting Rights on the IRH Management Committee; and any other rights or obligations not directly related to the Use Rights or the exercise of the Use Rights.

Each proposal must be approved by an authorized official of the Bidder, and must include all of the bid price information required in the Bid Form.

Bidders must demonstrate the ability to comply with the Eversource Companies’ creditworthiness requirements set forth in Attachment L of Schedule 20A-ES and Attachment L of Schedule 20A-NSTAR of the ISO New England Inc. (“ISO-NE”) Open Access Transmission Tariff (“OATT”) at the time the proposal is submitted.

Each Bidder must be a member of NEPOOL and have an executed Market Participant Service Agreement and settlement account established with ISO-NE and be in good standing and in compliance with all ISO-NE policies (including, without limitation, the Financial Assurance Policy) at the time of its proposal submission and throughout the Use Rights period. Each Bidder must also be an “Eligible Customer” under ISO-NE OATT.

Proposals shall be stated with prices on a fixed \$ basis.

An authorized officer or other authorized representative of the Bidder certifies by its submission of its proposal that: the Bidder has reviewed the RFP and all attachments and has investigated and informed itself with respect to all matters pertinent to the RFP and its proposal; the Bidder's proposal is submitted in compliance with all applicable federal, state and local laws and regulations, including antitrust and anti-corruption laws; and the Bidder is bidding independently and that it has no knowledge of the substance of any proposal being submitted by another party in response to this RFP. Violation of any of the above requirements may be reported to the appropriate government authorities.

All proposals shall constitute an offer to purchase Use Rights and such offer must be submitted no later than **10 A.M. Eastern Prevailing Time (EPT) on April 21, 2022**. All proposals must be made by E-mail, addressed to [phillip.higgins@eversource.com](mailto:phillip.higgins@eversource.com), [parker.littlehale@eversource.com](mailto:parker.littlehale@eversource.com) and [james.shuckerow@eversource.com](mailto:james.shuckerow@eversource.com). Pricing or other terms contained in such proposal may not be changed or withdrawn following submission. The Eversource Companies are not obligated to consider any submission received after the stated deadline.

Winning Bidders will be required by **3 P.M. EPT on May 5, 2022** to execute (i) the Assignment of Transmission Rights Agreement ("Assignment Agreement") and (ii) the Form of PHASE I/II-TF Service Agreement For The Resale, Reassignment or Transfer of Point-To-Point Phase I/II HVDC-TF found in the ISO-NE OATT, Schedule 20A, Attachment A-1 ("Service Agreement"), each as attached to this RFP, and to provide any required financial assurance set forth in the creditworthiness requirements referenced above.

The Eversource Companies shall have the exclusive right to select or reject any or all of the proposals submitted, at any time and for any reason. The Eversource Companies may disregard any proposals submission not in accordance with the requirements contained in this RFP. Further, the Eversource Companies expressly reserve the right, in their sole and absolute discretion, to seek clarifications of any submissions, to negotiate to seek modifications to any submissions, to unilaterally change the schedule described herein or modify any of the rules, requirements and procedures referenced herein, to seek additional information, to terminate the process described herein, and to invite any (or none) of the Bidders to participate further in the process, all without prior notice to other potential parties.

The Eversource Companies intend to adhere to the following schedule, but reserve the right to modify the schedule at any time at their sole discretion.
