

News Release

Eversource Energy to Webcast Discussion of Third Quarter Results

HARTFORD, Conn. and BOSTON, Mass. (October 19, 2015) – Eversource Energy (NYSE: ES) will webcast a conference call with financial analysts on Tuesday, November 3, 2015, beginning at 9 a.m. Eastern Standard Time, in which senior management will discuss the company's financial performance through the third quarter of 2015.

The discussion will be led by Jim Judge, executive vice president and chief financial officer, and will include Lee Olivier, executive vice president – Enterprise Energy Strategy and Business Development.

This listen-only, live audio presentation will be webcast by NASDAQ OMX and will be accessible from the Investors section of the Eversource website at

<https://www.eversource.com/Content/general/about/investors/presentations-webcasts>.

Institutional investors can also access a webcast of the presentation via StreetEvents (<http://www.streetevents.com>), a password-protected event management site operated by Thomson Reuters.

Eversource (NYSE: ES) transmits and delivers electricity and natural gas for more than 3.6 million electric and natural gas customers in Connecticut, Massachusetts and New Hampshire. Eversource harnesses the commitment of approximately 8,000 employees across three states to build a single, united company around the mission of delivering reliable energy and superior customer service.
