

News Release

Eversource Energy to Discuss Fourth Quarter Results

HARTFORD, Conn. and BOSTON, Mass. (February 12, 2018) – Eversource Energy (NYSE: ES) will webcast a conference call with financial analysts on Friday, February 23, 2018, beginning at 9 a.m. Eastern Standard Time, at which senior management will discuss the company's financial performance through the fourth quarter of 2017.

The discussion will be led by Jim Judge, Eversource Energy chairman, president and chief executive officer. Phil Lembo, executive vice president and chief financial officer, and Lee Olivier, executive vice president – Enterprise Energy Strategy and Business Development, will also participate.

This listen-only, live audio presentation will be webcast by Nasdaq and will be accessible from the Investors section of the Eversource website at <https://www.eversource.com/Content/general/about/investors/presentations-webcasts>.

Eversource (NYSE: ES) transmits and delivers electricity and natural gas and supplies water to approximately 4 million customers in Connecticut, Massachusetts and New Hampshire. Recognized as the top U.S. utility for its energy efficiency programs by the sustainability advocacy organization Ceres, Eversource harnesses the commitment of about 8,000 employees across three states to build a single, united company around the mission of safely delivering reliable energy and water with superior customer service. For more information, please visit our website (www.eversource.com) and follow us on Twitter (@EversourceCorp) and Facebook (facebook.com/EversourceEnergy). For more information on our water services, visit www.aquarionwater.com.
