### **Northeast Utilities to Webcast Financial Analyst Presentation**

**HARTFORD, Conn. and BOSTON, Mass. (September 28, 2012)** – Northeast Utilities (NYSE: NU) will webcast a presentation to the financial community on Friday, October 5, 2012, beginning at 9:30 a.m. EDT in which senior management will discuss the company's financial performance and outlook.

This listen-only, live audio presentation will be webcast by Thomson Reuters and will be accessible from the Investors section of the NU website at <http://www.nu.com/investors/presentations.asp>.

The webcast is also being distributed through the Thomson Reuters' StreetEvents Network. Institutional investors can also access the presentation via Thomson Reuters' StreetEvents (<http://www.streetevents.com>), a password-protected event management site.

#### **About NU**

Northeast Utilities (NU) operates New England's largest energy delivery company. NU and its companies are committed to safety, reliability, environmental leadership and stewardship, as well as expanding energy options for its more than 3.5 million electric and natural gas customers in Connecticut, Massachusetts and New Hampshire. NU is traded on the New York Stock Exchange under the symbol NU. Learn more about NU and its family of companies at [nu.com](http://nu.com).
