RATE NGV
Page 1 of 1

AVAILABILITY: Gas service is available under this rate to any customer requiring natural gas as a motor fuel for vehicles employed in fleet, car pool, public and private transportation, or other motor vehicle operations.

APPLICABILITY AND CHARACTER OF SERVICE:

1. Gas delivered hereunder will be separately metered and shall not be used interchangeably with gas supplied under any other rate schedule.
2. Rate NGV customers shall have the highest priority interruptible service, however, delivery of gas may be subject to interruption if the Company is dispatching propane as part of its daily gas supply.
3. The customer shall install and pay for all incremental facilities to monitor for the presence of a propane/air mixture if deemed necessary by the Company.

MONTHLY RATE:

Customer Service Charge: None

COMMODITY CHARGE: The commodity charge, based on gasoline, will be set forth monthly in the interruptible gas service filings approved by the Public Utilities Regulatory Authority, will include all applicable taxes, and will be based upon posted prices, market conditions, and market clearing prices. The Company and customer, however, may enter into pricing agreements as specified in Rate IS.

OTHER:

1. All other terms and conditions of Rate IS will apply.
2. Customers may transport gas under this tariff, subject to the terms and conditions as specified in Rate IS.
