**CRE 2022-016**

**PUBLIC SERVICE COMPANY OF NEW HAMPSHIRE  
D/B/A EVERSOURCE ENERGY**

**PETITION FOR LICENSE TO CONSTRUCT AND MAINTAIN ELECTRIC LINES  
OVER AND ACROSS STATE-OWNED LAND IN MADISON, NEW HAMPSHIRE**

**ORDER OF NOTICE**

On June 8, 2022, Public Service Company of New Hampshire d/b/a Eversource Energy (Eversource, or the Company) filed a petition for a license to construct and maintain an existing 115 kV electric transmission line (the Y138 Line) over and across land owned by the State of New Hampshire in Madison. The petition and subsequent docket filings, other than any information for which confidential treatment is requested of or granted by the Department, will be posted to the Department's website at [Utility Crossings Over State Lands and Public Waters/NH Department of Energy](#).

The Y138 Line was originally constructed in 1993 and was previously licensed in 2020 in Public Utilities Commission (PUC) Docket DE 20-001 (Order No. 26,404) for addition of OPGW, but Structures 42 and 43 at the subject crossing span were not replaced as part of that licensed project. In its current petition, Eversource proposes to: (1) replace wood Structures 42 and 43 with weathering steel equivalents; and (2) transfer the existing three conductors and OPGW wire between Structures 42 and 43 to the replacement steel structures. All replacement structures will be located within 10 feet of their current locations.

According to the petition, the structure replacement work will be accomplished within existing right-of-way easements, thereby mitigating impacts and concerns of property owners

affected by the project. Eversource will obtain a New Hampshire Department of Environmental Services (NHDES) Wetland Statutory Permit by Notification (PBN) for the work planned under this petition in relation to temporary impacts to wetlands with the replacement of Structure 42 and will be secured prior to the commencement of construction.

The Department will review the filing to assess the necessity of the requested license to meet the reasonable requirements of reliable service to the public, as required by RSA 371:17, and whether the license may be exercised without substantially affecting public rights in the identified State land in Madison as required for approval under RSA 371:20. The applicant and any interested party has the right to have an attorney represent the party at the party's own expense.

**Based upon the foregoing, it is hereby**

**ORDERED**, that, the Department will hold a prehearing conference, pursuant to N.H. Admin. R., Puc 203.15, on June 30, 2022 at 9:00 a.m., at which any interested party may provide its position with regard to the petition and any of the issues set forth in N.H. Admin. R., Puc 203.15; and it is

**FURTHER ORDERED**, that any interested party who wishes to participate in the proceeding shall file a written petition to intervene stating the interested party's basis for intervention consistent with RSA 541-A:32 and Puc 203.17 and specifying any objection the party has to the proposed crossings license. Petitions to Intervene shall be submitted to the Commissioner of the Department, with copies sent to the Petitioner that is seeking a license, no later than June 27, 2022. Failure to submit a Petition to Intervene at least three business days prior to the Prehearing Conference will constitute a waiver of the right to object to the Petition and the requested license; and it is

**FURTHER ORDERED**, that, immediately following the prehearing conference, Eversource, Department staff, and any intervening parties may hold a technical session to review the petition, as needed; and it is

**FURTHER ORDERED**, that, pursuant to N.H. Admin. R., Puc 203.12, Eversource shall notify all abutters to the proposed crossings by causing a copy of this order of notice to be sent, by any major delivery service that provides delivery confirmation, to the owners of all properties immediately adjacent and contiguous to the State land parcels that are subject to the proposed crossings. On or before June 27, 2022, Eversource shall file with the Department a list of all abutters so notified and copies of the return delivery confirmations. In addition, Eversource shall mail a copy of this order of notice to: (i) the Town Clerk of Madison, New Hampshire; (ii) the New Hampshire Attorney General; (iii) the New Hampshire Department of Environmental Services; (iv) the New Hampshire Department of Transportation; and (v) the New Hampshire Department of Natural and Cultural Resources, and publish a copy of this order of notice on its website no later than one business day after the date of issue.

Jared S. Chicoine  
Commissioner

Individuals needing assistance or auxiliary communication aids due to sensory impairment or other disability should contact the Department of Energy, 21 S. Fruit St., Suite 10, Concord, New Hampshire 03301-2429; 603-271-3670; TDD Access: Relay N.H. 1-800-735-2964. Notification of the need for assistance should be made no later than one week prior to the scheduled event. **Queries regarding this petition and associated docket filings may be submitted to [Crossings@energy.nh.gov](mailto:Crossings@energy.nh.gov).**
