**DETERMINATION OF DEMAND**

The Demand shall be determined by meter, monthly, and shall be the highest 30-minute kilowatt registration during the month, determined to the nearest one-half kW. When two or more meters are installed for billing under this rate as above provided, the Demand shall be the arithmetical sum of the demands separately determined, whether coincident or not.

**MINIMUM MONTHLY CHARGE**

The minimum charge is the customer charge.

**TERMS**

The Company's Terms and Conditions in effect from time to time, where not inconsistent with any specific provisions hereof, are a part of this rate schedule.

**TERM OF CONTRACT**

Customers served under this rate must provide the Company with six months prior written notice before installing, or allowing to be installed for its use, a non-emergency generator with a nameplate capacity greater than that in place on the Customer's location as of March 1, 1998. Also, customers receiving service under this or superseding rate schedule may not change to another rate schedule within the first 12 months of the service.
