As a result of the Company's proposed changes to the RAAFs for effect January 1, 2017: (1) the bill of an average Greater Boston residential (R-1) customer with an average winter usage of 559 kilowatt-hours ("kWh") per month would decrease by \$0.08, or 0.1 percent; (2) the bill of an average Cambridge residential (R-1) customer using 393 kWh per month would decrease by \$0.14, or 0.2 percent; (3) the bill of an average South Shore, Cape Cod, and Martha's Vineyard residential (R-1) customer using 700 kWh per month would decrease by \$0.05, or 0.0 percent; and (4) the bill of an average WMECo residential (R-1) customer using 700 kWh per month would increase by \$0.66, or 0.5 percent. The Company states that average bill impacts for all customers range from a decrease of 0.2 percent to an increase of 0.6 percent depending on rate class and usage. For specific bill impacts, please contact the Company as shown below. In separate filings, the Company is proposing other changes to its rates effective January 1, 2017, which may also have an impact on customers' bills.

Any person wishing to submit written comments on this petition should file one (1) original and two (2) copies no later than the close of business (5:00 p.m.) on **Tuesday, December 20, 2016**. The original and copies should be delivered to Mark D. Marini, Secretary, Department of Public Utilities, One South Station, 5th Floor, Boston, Massachusetts 02110.
