### NOTICE OF FILING, PUBLIC HEARING, AND PROCEDURAL CONFERENCE

D.P.U. 17-GREC-06

May 10, 2017

Petition of NSTAR Gas Company, d/b/a Eversource Energy, pursuant to G.L. c. 164, § 145, for review and approval of the reconciliation of its 2016 Gas System Enhancement Plan and for review and approval of its Gas System Enhancement Reconciliation Adjustment Factor.

On May 1, 2017, NSTAR Gas Company, d/b/a Eversource Energy (“NSTAR” or “Company”) submitted to the Department of Public Utilities (“Department”) a reconciliation of its 2016 gas system enhancement plan (“GSEP”) to replace aging natural gas pipeline infrastructure. This is the first time that NSTAR is proposing to implement a gas system enhancement reconciliation factor (“GSERAF”) as it was previously under a rate freeze. Based on the Company’s calculations, NSTAR proposes to return \$42,531 to ratepayers as over-recoveries through the GSERAF for the period from May 1, 2016 to April 30, 2017. The Department has docketed this matter as D.P.U. 17-GREC-06.

NSTAR states that approval of the GSERAF will result in an average monthly bill decrease of \$0.01 for the average residential heating customer using 128 therms per month during winter months. Given the small over-recovery, the average residential heating customer using 27 therms per month during summer months will not see any bill impact.

The Attorney General of the Commonwealth of Massachusetts (“Attorney General”) filed a notice to intervene in this matter pursuant to G.L. c. 12, § 11E(a). Further, pursuant to G.L. c. 12, § 11E(b), the Attorney General filed a notice of intent to retain experts and consultants to assist her investigation of the Company’s filing, and has requested Department approval to spend up to \$150,000 in this regard. Pursuant to G.L. c. 12, § 11E(b), the costs incurred by the Attorney General relative to her retention of experts and consultants may be recovered in the Company’s rates. Any person who desires to comment on the Attorney General’s notice of intent to retain experts and consultants in this matter may submit written comments to the Department not later than the close of business (5:00 p.m.) on **May 25, 2017**.

The Department will conduct a public hearing to receive comments on NSTAR’s petition. The hearing will take place on **June 1, 2017, at 2:00 p.m.**, at the Department’s offices, One South Station, 5th Floor, Boston, Massachusetts, 02110. A procedural

conference will take place immediately following the public hearing to establish a schedule for the evidentiary phase of this case. Any person who desires to comment on the Company's petition may do so at the time and place noted above, or submit written comments to the Department not later than the close of business (5:00 p.m.) on **June 1, 2017**.

Any person who desires to participate in the evidentiary phase of this proceeding must file a written petition for leave to intervene with the Department not later than the close of business (5:00 p.m.) on **May 25, 2017**. A petition for leave to intervene must satisfy the timing and substantive requirements of 220 C.M.R. § 1.03. Receipt by the Department, not mailing, constitutes filing and determines whether a petition has been timely filed. A petition filed late may be disallowed as untimely, unless good cause is shown for waiver under 220 C.M.R. § 1.01(4). To be allowed, a petition under 220 C.M.R. § 1.03(1) must satisfy the standing requirements of G.L. c. 30A, § 10. All responses to petitions to intervene must be filed by the close of business (5:00 p.m.) on the second business day after the petition to intervene was filed. An original and two (2) copies of all written comments or petitions to intervene must be filed with Mark D. Marini, Secretary, Department of Public Utilities, One South Station, 5th Floor, Boston, Massachusetts, 02110 not later than the close of business (5:00 p.m.) on the dates noted above. One copy of all written comments or petitions to intervene should also be sent to NSTAR's attorney, Danielle C. Winter, Esq., Keegan Werlin, 265 Franklin Street, Boston, Massachusetts, 02110-3113.

All documents should also be submitted to the Department in electronic format using one of the following methods: (1) by e-mail attachment to [dpu.efiling@state.ma.us](mailto:dpu.efiling@state.ma.us) and to Carol Pieper, Hearing Officer, [carol.pieper@state.ma.us](mailto:carol.pieper@state.ma.us), or (2) on a CD-ROM.
