PUBLIC UTILITIES COMMISSION**

**DE 20-136**

**PUBLIC SERVICE COMPANY OF NEW HAMPSHIRE  
d/b/a EVERSOURCE ENERGY**

**Recovery Mechanism and Rate Treatment for Net Metering and Group Host Costs**

**ORDER OF NOTICE**

The Commission opens this docket, pursuant to Order No. 26,387 (July 31, 2020), to determine the appropriate recovery mechanism and rate treatment for Public Service Company of New Hampshire d/b/a Eversource Energy's (Eversource) net metering costs and group host costs. In Order No. 26,387, the Commission rejected Eversource's proposal to recover those costs through its Stranded Cost Recovery Charge (SCRC), rather than through its energy service rates, finding that the issue had not been sufficiently developed either factually or legally to allow Eversource to recover net metering costs through the SCRC. In that order, the Commission also noted that it had previously approved a settlement providing that utilities would "have the opportunity to recover lost revenues attributable to customer net metering pursuant to the mechanism and process approved by the Commission for Unitil by Order No. 25,991 (February 21, 2017) issued in Docket DE 15-147." *Development of New Alternative Net Metering Tariffs and/or Other Regulatory Mechanisms and Tariffs for Customer Generators*, Order No. 26,029 at 50-51 (June 23, 2017).

This order of notice and docket filings, other than any information for which confidential treatment is requested of or granted by the Commission, will be posted to the Commission's website at [www.puc.nh.gov](http://www.puc.nh.gov).

The filing raises, inter alia, issues related to whether Eversource's proposed recovery of net metering costs and group host costs through the SCRC mechanism would be proper and would result in SCRC rates that are just and reasonable, as required by RSA 374:2, and by RSA 378:5 and :7; whether there is a more appropriate recovery mechanism and rate treatment for Eversource's net metering costs and group host costs; and how the settlement terms approved in Order No. 26,029 in Docket DE 16-576 affect the determination of an alternative recovery mechanism and rate treatment for such costs. Each party has the right to have an attorney represent the party at the party's own expense.

**Based upon the foregoing, it is hereby**

**ORDERED**, that, consistent with Governor Christopher T. Sununu's Emergency Order #12, the Commission will hold a web-enabled remote prehearing conference, pursuant to N.H. Admin. R., Puc 203.15, on September 24, 2020 at 1:00 p.m., at which each party will provide a preliminary statement of its position with regard to the petition and any of the issues set forth in N.H. Admin. Admin. R., Puc 203.17. Pursuant to the secretarial letter issued on March 17, 2020, which is posted on the Commission's website at <https://www.puc.nh.gov/Regulatory/Secretarial%20Letters/20200317-SecLtr-Temp-Changes-in-Filing-Requirements.pdf>, any party seeking to intervene may elect to submit this filing in electronic form; and it is
