The Gas System Improvement ("GSI") Charge shall recover, on a fully reconciling annual basis from all customers taking service under the Company's rates, the difference in the core capital and GSI capital and revenue requirements as approved by the Authority and the actual core capital and GSI capital and revenue requirements as reported in the Company's accounting records. The GSI Charge will be recovered on an annual basis from April 1 through March 31, beginning April 1, 2019.

Each GSI Charge shall be in accordance with a notice filed with the Authority setting forth the amount of the applicable GSI Charge, the amount of the increase or decrease and the effective impact on the delivery charge. The filing will be made each year no later than thirty days prior to the April 1 effective date of the GSI Charge.
