

Suspect a gas leak? USE YOUR SENSES.

SEE

A white cloud, mist or fog, bubbles in still water, blowing dust, or dead or dying plants.

SMELL

A distinct rotten egg-like odor.

HEAR

Unusual hissing, roaring or whistling.

DO

Leave.

Immediately move to a safe location.

Call 911.

Report your location, including cross streets, and whether there's digging nearby.

DON'T

- × Smoke
- × Light a match
- × Open doors or windows
- × Use your landline or cell phone
- × Switch on/off appliances
- × Use a flashlight
- × Start a car, as a spark could ignite and cause an explosion
- × Attempt to make repairs

Recognize the signs. Act fast.

DON'T ASSUME SOMEONE ELSE MADE THE CALL.
