<b>Heating and Cooling Measures</b>		
ENERGY STAR® Central Air Conditioning	Required Eligibility: • ≥ 16 SEER • ≥ 12.5 EER	\$200/unit
ENERGY STAR Ducted Air Source Split Heat Pump	Required Eligibility: • ≥ 16 SEER • ≥ 12.5 EER • ≥ 10 HSPF	\$500/ton up to 2 units
ENERGY STAR Ductless Air Source Heat Pump Multi Zone	Required Eligibility: • ≥ 18 SEER • ≥ 12.5 EER • ≥ 10 HSPF	\$500 per ton up to 2 units - Instant Discount
ENERGY STAR Ductless Air Source Heat Pump Single Zone	Required Eligibility: • ≥ 20 SEER • ≥ 12.5 EER • ≥ 10 HSPF	\$500 per ton up to 2 units - Instant Discount
*ENERGY STAR Ducted/Ductless Heat Pump (Electric Homes) <i>and</i> *ENERGY STAR Ducted/Ductless Heat Pump Pilot (Oil and Propane Homes)	Ducted Required Eligibility: • ≥ 16 SEER • ≥ 12.5 EER • ≥ 10 HSPF	Ductless Required Eligibility: • ≥ 18-20 SEER • ≥ 12.5 EER • ≥ 9-10 HSPF
*Integrated Controls to Existing Unit Air Source Heat Pump Pilot (oil/propane homes)		Up to \$500/unit, maximum \$1500 per home
*Fuel Bills 1 Year After Install Air Source Heat Pump Pilot (oil/propane homes)		\$50/ home
*ENERGY STAR Geothermal Heat Pump (Ground Source for Electric Homes) <i>and</i> *ENERGY STAR Geothermal Heat Pump (Ground Source for Oil and Propane homes)	Required Eligibility: • Closed Loop Water to Air: 17.1 EER1 / 3.6 COP2 Minimum • Direct Expansion Refrigerant: 16.0 EER / 3.6 COP Minimum • Water to Water: 16.1 EER / 3.1 COP Minimum	Ground Source for Electric Homes \$750/ton (not exceeding \$10,000)  Ground Source for Oil and Propane homes \$1,500/ton (not exceeding \$10,000)
ENERGY STAR Natural Gas Furnace (Warm Air)	Required Eligibility: • ≥ 95% Annual Fuel Utilization Efficiency (AFUE)	\$650/unit - Instant Discount
ENERGY STAR Natural Gas Boiler (Hot Water)	Required Eligibility: • ≥ 94% Annual Fuel Utilization Efficiency (AFUE)	\$750/unit - Instant Discount
Boiler Circulator Pump, Variable Speed		\$35/unit – Instant Discount
*Natural Gas Boiler Water Reset Control		\$200/unit

# 2020 Residential Energy Efficiency Rebates & Instant Discounts

Revised October 2020

Item		Amount
<b>Water Heating</b>		
ENERGY STAR Heat Pump Water Heater	Required Eligibility: •UEF ≥ 3.0	55 gallons or less: \$750/unit – Instant Discount 56 gallons or more: \$400/unit – Instant Discount
ENERGY STAR Natural Gas Tankless (On-Demand) Water Heater	Required Eligibility: •UEF ≥ 0.92	\$300/unit – Instant Discount
ENERGY STAR Natural Gas Condensing Storage	Required Eligibility: •Thermal Efficiency ≥ 0.95	\$300/unit – Instant Discount
<b>Appliances + Products</b>		
*ENERGY STAR Refrigerator		\$50/home
*ENERGY STAR Washer		\$50/home
*ENERGY STAR Dehumidifier		\$25/home
*ENERGY STAR Freezer		\$25/home
