

**Eversource Energy Business Energy Efficiency Loan Program and Smart Start
Loan Deferral Request & Attestation**

By signing below, I/We agree and attest to the following terms and conditions:

- 1.) As a result of the National Emergency declared by the President of the United States on March 13, 2020, in response to the novel coronavirus disease 2019 (COVID-19) pandemic in the United States and the State of Emergency declared by the Governor of Massachusetts on March 10, 2020 and subsequent Executive Orders pertaining thereto, I/We hereby request that the monthly payments on my Eversource Energy Efficiency loan be deferred for (choose/circle): (one) (two) (three) months (maximum 3 months). If I/we have more than ONE (1) loan outstanding and ONLY if I DO NOT wish to defer ALL payments on ALL loans, I will indicate BELOW which specific loans this request pertains to.
- 2.) To the best of my knowledge and belief, the revenue of my/our company has been and will be negatively impacted by COVID-19, and as a result our company is/are currently unable to make the payments on the loan obligation I/we seek to defer.
- 3.) I/We understand that by deferring these payments the final loan payment, or “Maturity Date”, of my loan will be extended by the equivalent number of months noted in Section 1 above.
- 4.) This is only a short-term deferral of my/our loan payments, not a forgiveness of my/our loan payments.
- 5.) All Energy Efficiency loan provisions remain in effect, except as expressly stated in this document.
- 6.) The amount of my/our monthly loan payment will remain the same once my/our payments resume.
