

Shared Clean Energy Facility Program - Prerequisites for Purchase Certification Statement

In accordance with the Subscriber Organization Tariff Terms Agreement and Terms and Conditions (collectively “the Agreement”), notice is hereby provided to The Connecticut Light and Power Company dba Eversource Energy (“Eversource”) that the Prerequisites for Purchase and other requirements for the following Shared Clean Energy Facility (referred to as the “SCEF” herein) between Eversource and the Subscriber Organization as listed below have been met.

Agreement Number/Project Number (as listed in the upper right corner of the Agreement): _____

Subscriber Organization (as listed in the Agreement or as noted on assignment documentation): _____

Project Name (as listed in the upper right corner of the Agreement): _____

Facility Location (as stated in Section IV of the Agreement): _____

Tariff Terms Agreement Approval Date (as noted in Section IV of the Agreement): ____ / ____ / ____

Customer Billing Account Number: _____ **Revenue Meter Number:** _____
(11 Digits) (9 Digits)

Subscriber Organization hereby certifies the following SCEF information:

1. In-Service Date of the SCEF (as stated in the Approval to Energize letter from the Eversource [Distributed Resources group](#), attached hereto): ____ / ____ / ____
 - “In-Service” means that the facility has a valid Interconnection Agreement with Eversource and the facility is capable of regular commercial operation.
2. A copy of the executed Interconnection Agreement is attached hereto.
3. A Production Meter is installed and operating properly. On ____ / ____ / ____, Eversource [Meter Engineering](#) provided written confirmation that verifies Production Meter functionality and that meter data is being received by Eversource, or the entity designated by Eversource (attached hereto). Production Meter number(s): _____
(9 Digits)
4. Final Installed Capacity of SCEF: _____ kW AC
5. The SCEF has not received, nor sought to receive, any Connecticut ratepayer-funded incentives or subsidies, including, but not limited to, net metering, virtual net metering, Public Utility Regulatory Policies Act (“PURPA”) tariffs, LREC/ZREC contracts, NRES tariff agreements, Public Act 18-50 tariffs other than those in this Program, any other contract or program of any kind in which an EDC purchases the Facility’s energy, capacity, or renewable attributes, and grants or rebates from the Connecticut Green Bank and any of its predecessors or the Conservation and Load Management Program. The SCEF, as constructed, meets all of the SCEF generation Facility requirements of Public Act 18-50.
6. The Subscriber Organization is either (i) a distribution customer of record of the EDC with project site control, (ii) owner of the project site with permission of the distribution customer of record of the EDC, or (iii) Authorized Developer.
7. Subscriber Organization has provided and will continue to provide on a monthly basis to the EDC all relevant emissions data as applicable at EDC’s request and at Subscriber Organization’s cost, if any.

Subscriber Organization, by its authorized representative, certifies that the foregoing information is complete and correct. (NOTE: An electronic signature is not acceptable.)

Signature: _____

Title: _____

Subscriber Organization (as it appears on the Agreement or Assignment document): _____

Date: _____

Your request will move forward once ALL of the following documents have been received and approved:

1. A copy of the fully executed Agreement.
2. If applicable, a copy of any executed and approved Requests for Assignment.
3. If applicable, a copy of any executed and approved Amendment(s) to the Agreement.
4. A copy of the executed Interconnection Agreement from the [Distributed Resources group](#).
5. A copy of the Approval to Energize Letter from the [Distributed Resources group](#).
6. A copy of the email from the [Eversource Meter Engineering group](#) providing written confirmation that verifies meter functionality and that meter data is being received by Eversource, or the entity designated by Eversource.

Please send the above information to Eversource via E-mail: SCEF@eversource.com
