**What You Can Expect:**

- Temporary paving activities will be performed in conjunction with our construction activities as needed.
- There will be no construction work performed on Saturday and Sunday.
- Traffic flow will be maintained where possible, however, drivers may experience delays due to alternating one-way traffic, as well as, occasional lane closures.
- The hours for in-street construction work may vary, depending on location, and the construction crews will be working daytime hours.
- Access will be maintained to residences and businesses, as well as ensure priority passage of emergency vehicle traffic through construction areas.
- Construction activities may take place at multiple sites along the route until the project is completed.
- Work zones will be protected from pedestrians and vehicles.
- Police officers or flagmen will oversee traffic control.
- Please note that construction work is weather dependent, and all construction activities are subject to change without notice.

**Additional Information:**

Eversource remains committed to providing reliable service as well as accurate and timely information. Keeping the lines of communication open is an important part of our work in your community.
