

**Pursuant to the requirements of Schedule 22 of the ISO-NE Tariff, Interconnecting Transmission Owners are required to post on OASIS an advance notice that it is going to participate in a Scoping Meeting with an Interconnection Customer that is also an Affiliate. The NU Companies accordingly are posting the following statement:**

**May 02, 2008**

**NUSCO, as agent for Public Service Company of New Hampshire, will be participating in a Generator Interconnection Scoping meeting(s) with one of its affiliates and ISO-NE to discuss the potential modification of generation at the Merrimack substation. These meetings will be chaired by ISO-NE.**
