

**Creditworthiness  
Process, Contact Information and Links**

All customers taking (i) any service under Schedule 21-ES, the Local Service Schedule (“LSS”) for Eversource under the OATT or (ii) any service provided under the Schedule 20A-ES under the OATT, for service over the Phase I/II HVDC-TF or (iii) any FERC-regulated interconnection service from Eversource must meet the terms of the Attachment L located in the respective schedules. The creditworthiness of each customer must be established prior to receiving transmission service from Eversource. A customer will be evaluated at the time its application for transmission service is provided to Eversource. The information requested under Attachment L should be forwarded to:

[TransmissionInterconnectionInquiries@eversource.com](mailto:TransmissionInterconnectionInquiries@eversource.com)

For Schedule 21-ES, please refer to [Attachment L in Schedule 21-ES](#).  
For Schedule 20A -ES please refer to [Attachment L in Schedule 20A-ES](#).
